

The satisfaction expressed by our existing customers is the most powerful testimony to our service:

"A first class service, delivered on time and within budget"
Winchester City Council

"Your commitment to the team and the success of the scheme, made a real difference, thank you"
Willan Building Services

"The pre-planning of your works and interfacing with other trades ensured the smooth delivery of this challenging project"
Aerobuild

"Great to work with a contractor who we can just leave to get on with the job, confident that it will be done right"
Foreman Homes

“Relationships are built on trust and trust is built on consistent service excellence. We believe by demonstrating customer focus, professionalism, pride in our work and commitment to your projects success, we will earn your trust and develop a long term, and mutually beneficial relationship”

Danny Gladwyn, Director

“I am passionate about what I do, I have a long standing track record in delivering first class projects for all our clients, on time, on budget, safely and with zero defects every time”

Jerry Cope, Projects Manager

Welcome to CCS

Correct Contract Services Ltd. (CCS) is a comprehensive plumbing and heating specialist, based in Andover, Hants, servicing both the public and private residential property market.

Founded in 2007 by Directors Danny Gladwyn and Trevor Dempsey, who collectively have over 40 years heating trade experience, our offer includes:

- Free estimating service;
- Full design service;
- Free customer aftercare visits;
- A dedicated team of directly employed, highly skilled Gas Safe registered engineers.

We apply rigorous quality control to all our installations and utilise cutting edge technology, methodology, and materials.

Our skill set provides us with competencies to interface with both conventional and renewable energy sources.

CCS have a large portfolio of high profile clients and offer a value for money package whilst maintaining a premium service from the onset of the project through to a satisfactory completion and beyond via our comprehensive aftercare service.

CCS has gone from strength to strength and is currently expanding the business within the South of England.

We believe we have the right team, the right resources, and the right approach to deliver a first class project for your business.

“At CCS we treat every customer as an individual, deliver a personal service and strive to achieve customer delight rather than mere satisfaction!”

Trevor Dempsey, Director

Committed to our Quality – ISO 9001 accredited.

Committed to our Environment – ISO 14001 accredited.

Committed to our Customers - Our “right first time” policy saves time and money, for you and your residents by minimising return visits to rectify faults.

Committed to our People - Correct Contract Services operates a CPD (Continuous Professional Development) programme for all of our staff, enabling them to perform to the best of their ability.

Committed to Service - We operate the most sophisticated activity monitoring and management systems available, allowing us to track progress on each project, and providing service transparency for our customers.

Committed to reliability - Correct Contact Services has a flawless record in finishing all of our contracts on time and within budget.

Committed to being the best – We continually seek to improve every aspect of our business and were proud to be named Small Business of the year in 2009/2010 Test Valley Business Awards, governed by Hampshire County Council.

CCS.Committed to excellence.

“Enthusiastic and self-motivated is how I would best describe myself. I thrive on success and always look forward to the opportunity of developing a solid working relationship with new clients”

Kelly Warmington, Sales Executive
